WE MISS YOU

We are still working hard to do our part in making sure seniors stay safe. In order to keep the members of our senior centers safe we have decided to once again temporarily close our senior centers for the month of May. We hope to be open soon and will be following the lead of our governments.

We still have staff answering phones from our centers and central office if you have questions. Case Workers are taking “phone” meetings with seniors and are always ready to give the same excellent care that you are use to.

We will keep you updated on our website as things change. Please listen closely to what the CDC is telling everyone and keep yourself and loved ones safe.

Technology and Fitness

As I write this we continue to be in a “stay home, stay safe” state of being. We do not know at this exact moment if our centers will be open in May or when our fitness classes will resume.

I am so pleased with how our fitness instructors have continued to dedicate their time, love, and passion to all our participants during this time of suspended classes. They have selflessly given of their time to show their care and concern for you, your health and well-being. They have been texting, calling, and sending notes in the mail to let you know how much they miss you and care for you! I am so happy to have this amazing group of people helping to keep you active and healthy.

Some of our instructors have been using technology to connect. I must tell you that for most of them, this has not easy! It’s been a learning process and provided challenges, but they persisted and worked through it because they had YOUR best interests in mind. I have been so proud of how hard they have worked to keep you healthy. Even just helping you connect socially was so important to them.

Some of our instructors are using Facebook to connect with you. Others have been setting up Zoom sessions just to keep you moving. Tai Chi sessions have been offered through Zoom. One of the most delightful things to have come out of all this so far has been when I have been able to watch YOUR faces when you see people you care about for the first time in so long via Zoom gatherings.

Our amazing instructors deserve a shout out for the ways they have been working hard to stay in touch with you, but I also have to thank each of you!

You have been patient, understanding, and kind during this time away from each other. I have emailed and talked with many of you and you have been so gracious and understanding. That is so appreciated. But, I have also been so impressed with those of you who have shared the ways you are staying active on your own.

Many of you are taking walks in the nicer weather—one of the best things you can do right now—to enjoy the sunshine and the fresh air. Get out of the house for a bit and take a walk!

Some of you have been using your own weights, or soup cans to do your strengthening exercises at home!

Some of you have been practicing your tai chi with reminder cards and videos from the instructor or website. Awesome job to all of you who have been working hard at staying active and healthy!

For those of you who don’t know where to start on your own, you can ask your instructor or myself for ideas. Here are some resources to get you started!

- Take a walk!
- Try the exercise shows that are on PBS (Public Broadcasting Station). I’ve heard quite a few people mention these—it’s free and a great way to stay active. Check your local PBS/WGVU station for a schedule.
- SilverSneakers has many exercise videos available at www.silversneakers.com if you are a member.
- Great resources here at well: https://www.nia.nih.gov/health/exercise-physical-activity

Keep moving, keep staying active, and stay safe!
We will see you as soon as we can!

Be Well!

From the Center Coordinator’s Desk
I pray that I can say “Welcome back Seniors” soon.
Seems like it’s been ages since I’ve seen you all. I hope you all are safe and as eager as I am to get back to our normal programming. During this extended time of social distancing we have lost loved ones and friends. It’s important that we continue use safety precautions and continue to try to get back to some since of normality. This time off has made me put a lot of things in prospective regarding the value of life and the importance of family and friends. When this is over, take some time to reconnect with each other and stop in and see me. As you all know my door is always open and I’m glad to have you back.

May is the month of two important and very different holidays: Mother’s Day and Memorial Day. We celebrate love, care, and often the sacrifices mothers have made for their families. Have a Happy Mother’s Day!

We also celebrate our service men and women who made, and continue to make, many sacrifices that keep us free. Now it is our turn to appreciate the sacrifices they have given. If you have veterans in your life, take the time to thank them for their dedication to our country. You can also send a card or stop in at the Veterans Facility. Many have no family in the area, and your visit would be the highlight of their day.

If any members have a loved one who is serving in the military, we would love to send them a card thanking them for their service. Please provide me with their address. I wish each of you a very fulfilling and happy May!

SENIOR IN THE SPOTLIGHT

ROSSIE FONGER

Rosie Fonger has been attending the Lowell Senior Center for the last two years after returning home from living in Florida.

Rosie lived in Lowell for most of her life and enjoys this community. She had Rosie’s Diner in Lowell for 16 years and before that worked at Kroger.

She enjoys coming to the center for the activities and socialization and has made some great friends here. She enjoys playing euchre, cribbage, bingo, and other games.

Rosie said she is blind but can still see a little bit and is still enjoying life the best she can!

We enjoy seeing Rosie each week and are so glad that she loves coming to the Lowell Center!

Notice
Unfortunately, the 2020 Senior Neighbors Picnic has been canceled this summer. This is due to the Grandville High School, which will be having extensive renovations this summer.

We look forward to seeing everyone at the 2021 summer picnic.
Clarence Earl Hiler Jr., better known as Skip, was born on 9-14-1946 in Traverse City. Skip started his life in a hospital incubator and was burdened with cerebral palsy. He was the second child of eight, born to parents Clarence and Violet (Alice) Hiler. Skip’s mother delivered two babies previous to Skip who passed away at birth. The Hiler family moved a few times over Skip’s informative years. Living on a farm in Spring Lake, the family had livestock and harvested vegetables from a large garden, as well as, apples, cherries and plums. The family moved to Hesperia where Skip graduated from high school in 1966. He helped his family tear apart junk cars for parts and scrap metal using an axe. Their business was called Hiler Auto Parts. Skip married young and continued to live in Hesperia. After divorcing, he met Carlene Cassady at the Plainwell trade school they attended together. In 1974 Skip and Carlene were married and lived in Dorr. Skip was happy to help parent Carlene’s two teenage children from her previous marriage. Over the years, Skip and Carlene moved out west and eventually started hauling a mobile trailer all over the U.S. working in camping park service. They enjoyed all aspects of traveling and the opportunity to meet so many different people. In 2010 Carlene was ill and they moved back to Michigan to be near family. Carlene passed away on Father’s Day 2014. After Carlene’s death, Skip said it helped him to deal with his own loss and grief, by helping others smile. Skip has an infectious sense of humor. Anyone who meets Skip will be treated to his corny jokes and wise guy cracks. In 2015 Skip moved into Harvest Way retirement community. In 2017 he met and married Vicki Saffore. Skip and Vicki left Harvest Way and moved to Cedar Springs to live with Carlene’s daughter and her husband. Skip has a soft heart for children. He currently teaches a Sunday School class for preschoolers. He also volunteers time to Senior Neighbors in several different capacities. Everyone loves and respects Skip. He has lived his entire life with a disability. His positive attitude, helpful nature and giving heart makes him a very special person. Skip is a champion to everyone here at Senior Neighbors and we all regard him as a great friend.

While osteoarthritis (OA) and rheumatoid arthritis (RA) are different, foods that help are similar as they reduce inflammation and promote a healthy weight. Excess weight can also add stress to joints.

**Foods that may increase inflammation:**
- Full-fat dairy products
- Sugar
- Red Meat
- White bread & pasta
- Processed foods
- Alcohol

**Foods that may reduce inflammation:**
- Omega-3 Fatty Acids
- Olive oil
- Whole grains
- Beans
- Colorful fruits and vegetables

Food can affect everyone differently. You can keep a food journal to track if certain foods are related to your pain.
Why can certain foods help with pain?

- Omega-3 fatty acids have been linked to help reduce joint swelling and even morning stiffness. They can be found in salmon, walnuts, & navy beans.
- Olive oil has similar qualities to some anti-inflammatory medicines, it is a good oil to cook with.
- Whole grains, like brown rice, oatmeal, and whole-wheat bread, have fiber and have been shown to lower levels of CRP. Beans also contain fiber and can help.

- Colorful fruits and veggies have antioxidants and can reduce flare-ups. Good options are blueberries, cherries, spinach, and broccoli.

What is C-reactive protein (CRP)?
CRP is a lab value that measures inflammation in the body. It can be used by your doctor to check your progress.

Every year we serve over 4,000 older adults, helping them remain independent through our five Senior Neighbors Centers and a wide range of essential services. We promote the well-being of older adults with services that promote self-sufficiency, especially for those with physical, social or economic needs living in Kent County.

**OUR MISSION IS...**

We are dedicated to promoting independent living for people who are 60 years and older by providing essential services that help seniors remain independent into their later years. We focus heavily on health and wellness programming as we work to aggressively pursue our mission of *Enhancing the Lives of Seniors*.

Senior Neighbors is funded in part by: Individual donations, Heart of West Michigan United Way, Area Agency on Aging of Western Michigan, Meals on Wheels of West Michigan, Meals on Wheels America, The Home Depot Foundation, Kent County Senior Millage, Kent County Community Development Block Grant, City of Grandville, Michigan Department of Transportation, Michigan Adult and Aging Services Agency, Michigan Department of Health and Human Services, Corp. for National and Community Service, Administration on Aging.
